

## Terms and Conditions

The undersigned (surname and first name filled-in in the specific field) as legal representative of the company (name related to the unique registration code of the company filled-in in the specific field) ("the Company"), based on the provisions of art. 113 paragraph 2 letter a) of GEO no. 99/2006 regarding credit institutions and capital adequacy<sup>1</sup>, I expressly request that the contact details of the Company and my personal contact details presented below, be sent to First Bank SA and to the selected partner/partners, if applicable, in order to present commercial offers related to the purchase and installation of photovoltaic panel systems, including consulting services for the registration of service beneficiaries as prosumers ("photovoltaic panel products and services ") and at the same time expressly and freely express my agreement regarding the processing of the data presented, for the purpose of sending commercial offers.

By ticking the name of a partner, I express my consent that my data, completed in the specific fields, be transmitted to it.

I am aware that:

- The granting of investment loans for acquisition of photovoltaic panel systems/photovoltaic panel installation services by First Bank S.A., is not conditional on this application and/or the contracting of consultancy services with a specific provider, including a Partner of First Bank S.A.;
- The decision to contract photovoltaic panel products and services according to the commercial offers submitted on the basis of the present application, belongs exclusively to the Company and is not conditional upon offer/granting of First Bank S.A. loan products;
- First Bank S.A. does not guarantee the quality and execution of photovoltaic panel products and services carried out by the Partner;
- In the relations between the Company and the Partner, which concern, but are not limited to, tendering, negotiation, contracting, including the quality of the photovoltaic panel products and services the Partner is solely responsible;
- I am aware that CEZ Vanzare SA offers „*consultancy/intermediation for photovoltaic panel systems, recommendations for the client's collaboration with other third-party partners for the performance of related services, as well as support for clients to register as prosumers.*”By signing this request, I declare that I understand and agree that First Bank does not assume responsibility for the eventual contract between the company I represent and/or CEZ vanzare SA and/or any partner of CEZ Vanzare SA that performs the actual installation of photovoltaic panel system, this being the responsibility of the parties only, not of First Bank SA.
